Dear Governor Cooper,  
Please stand strong and say "No" to the Atlanta Pipeline. It is the wrong direction for our state, nation, and world!! Please do the right thing and stand up for the people of your state and not give in to self-serving corporations. I am depending on you to fight for protecting our environment and resources. Please support the momentum for making our state a leader in the use of solar, wind, and other renewable energy sources.  
Sincerely,  
Mary Lou Wright
